

### **Who Are You?**

We're not a club or an organization, we're just a bunch of cyclists riding together for our own safety. It's called a Critical Mass

### **What's The Protest About?**

It's not a protest, we just want to ride our bikes in safety. It's a celebration of cycling.

### **Why Are You Taking Up All this Room?**

We're hardly taking up any room at all, imagine if we were all driving cars!

### **Why Are You Blocking Traffic?**

We're not blocking traffic,  
We *ARE* traffic!

### **So How Do I Join?**

There's no membership, you just show up and ride. We meet at 5:00 and ride at 5:30pm on the last Friday of every month at the Oakland Carnegie Library (across from the Pitt Student Union building, across from the dinosaur).
